A choice of three digital formats

The main format you will find on Obooko is PDF (Portable Document Format), which is actually THE most popular digital book in the world. This versatile, printer-friendly format has been our most downloaded e-book file since we opened the site in 2010. But this is not your only choice, in most instances we also provide ePub and Kindle versions, so you have three to choose from!

Our books are 100% legal to download and keep

You will be pleased to know that Obooko is a lawfully operated website. From the word go, we have guaranteed that every ebook you download from our popular platform is legally licensed. We are officially authorized distributors of each of the e-books on our website, which means we have written permission (a license) from authors and publishers to host and share their fiction or nonfiction books globally. What's more, we comply passionately with all international Copyright laws to ensure you are never in possession of pirated copies. Obooko: Legal, Honest, Truthful. As you would expect.
